Belgravia Gallery EXHIBITS AT AIFAF SHOWCASING RENOWNED ARTISTS

Palm Beach Society Journal, 2 January 2014

Following their success in selling signed lithographs by HRH The Prince of Wales, Belgravia Gallery was asked to launch artworks by Nelson Mandela. Owners of the gallery are mother and daughter Anna Hunter and Laura Walford who had the privilege of spending a morning with Mandela at his Johannesburg home signing the works, and again on Robben Island where he attended a launch dinner and spoke of his love of drawing and colour.

The inspirational and iconic works express his intention to triumph over tragedy and to look to the future.

All works come with a full signature authentication and may be seen in their London gallery.

Works by Nelson Mandela and HRH The Prince of Wales will be exhibited alongside American painter Susan Swartz and the renowned horse painter Lesley Thiel at AIFAF, Palm Beach at the Palm Beach County Convention Center in West Palm Beach from February 5-9, 2014.
